

Deliver **carrier-class voice** to your **customers**

Supply aggregated minutes to all local and international Electronic Communications Networks

Wholesale Voice

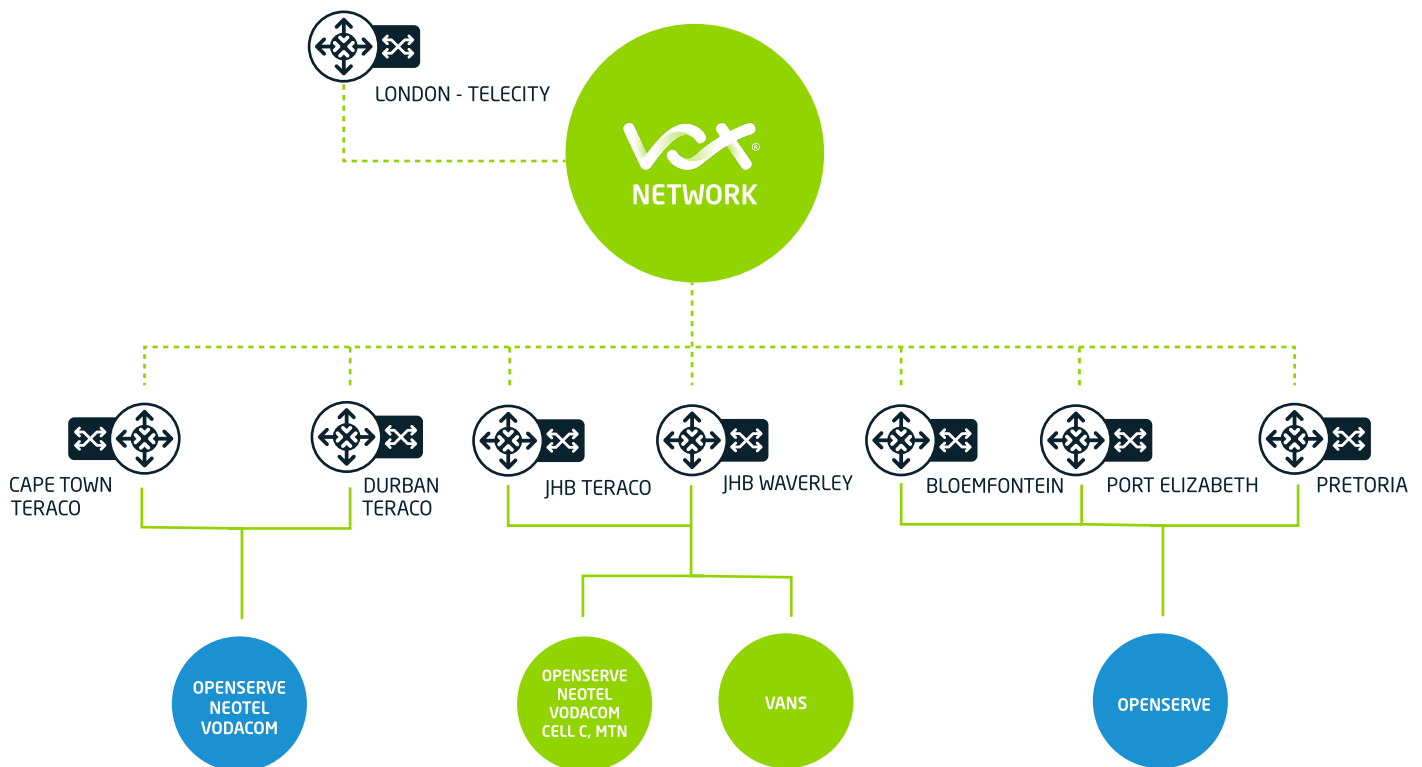

- Interconnect to all operators immediately, without expensive floor charges
- Benefit from Vox's economies of scale and future capacity
- Receive CDRs to verify your billing
- Issue geographic or non-geographic numbers
- Receive rebates on inbound minutes to Vox numbers
- Consolidate suppliers and reduce management overhead
- Benefit from using a wide range of pre-approved hardware that is interoperable with Vox's platform

Product overview

Wholesale Voice from Vox is a scalable, carrier-grade voice offering, allowing you as a reseller to terminate voice minutes on behalf of your customers. Vox's next generation network

and interconnect agreements with major operators empower your business to offer complete telco functionality, number issuing and superb quality voice termination.

How it works

Visit us at vox.co.za
