- App downloadable from the Apple App and Google Play Stores

## Product overview

Vox911 is an emergency panic button and tracking system for your smartphone. When in an emergency situation, at a click of a button, you can instantly notify our monitoring centre, your friends and family and the relevant emergency services. Using our tracking services, all the respective individuals will be notified of your whereabouts and come to your aid.

Perfect for families, load multiple family members under one account and get SMS notifications whenever an alert is received. Download the Vox911 app from the Apple App or Google Play Store and have peace of mind that you and your family are just one click away from emergency assistance.
