

# Get a reliable Internet connection **anywhere** in South Africa\*

\* Subject to network coverage.  
T&C's apply.

An excellent  
**high speed**  
alternative to  
ADSL or Fibre.

vx<sup>®</sup>

Fixed LTE

# Why is fixed LTE for me?

- Fixed mobile data i.e. Internet access without a wired connection, provided you are within the coverage area
- Upgrades or downgrades available, via the Vox Customer Zone
- Hard capped data bundles and top up\*\* options, to avoid bill-shock
- Next generation 4G LTE technology
- Month-to-month, 12 or 24-month options available
- Speeds of up to 50+ Mbps\*
- Plug and play hardware - easy installation of the indoor unit without the hassle of fixed-line installations

\*Dependent on network coverage & hardware used.

\*\*Available via the Vox Customer Zone

## Data Plan

With high speed, top-quality Internet access, Vox LTE offers a range of data plans for even the most demanding user.
