

# Affordable, superior quality Voice

# Chrome Air

A sophisticated IP Voice service that delivers high quality Voice and saves you money.

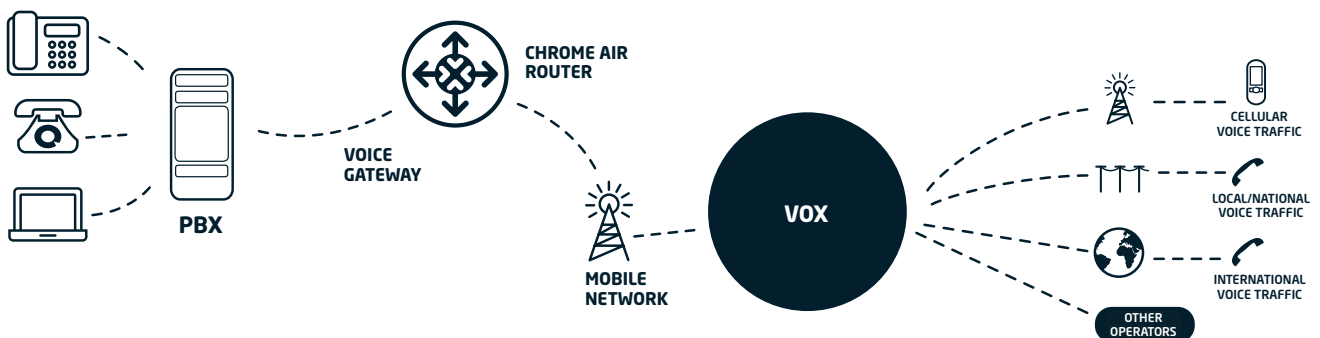

- Ideal for small to medium size businesses
- Fully managed service
- Affordable, superior quality wireless voice solution
- Caller Line Identity (in and outbound)
- Quick deployment
- Up to 8 concurrent calls

## Product Overview

Chrome Air, from Vox, is a sophisticated wireless access voice-only solution that eliminates the need for costly telecommunications infrastructure by making calls over

the existing LTE network. This allows for rapid and cost effective deployment of Vox Voice services, making Chrome Air ideal for the consumer and home business market.

## How It Works

## Features and Benefits

- Significantly better priced than other providers (save up to 50%)
- Reduced call rates
- Low fixed monthly fee
- Quick installation timeframes
- Direct SIP connectivity (PBX dependant)
- Porting of existing numbers or Vox geographic/ non-geographic number allocation
- Add on voice gateways for interoperability with all PBX brands
