1

**KYOCERa** 

## **1. PREFACE**

This guide only provides basic advice to get you up and running as quickly as possible. A detailed operation guide is available on our website.

For your convenience, Vox offers a remote or onsite installation option should you need further assistance with the setup of your printer. A Vox engineer will either assist you remotely or at your premises, depending on the option you select.

Please email printsupport@voxtelecom.co.za should you be interested in remote or onsite support. Please note this is a billable engagement.

## **2. UNBOXING YOUR PRINTER**

Please make sure that all the orange strips are removed from the printer in order to ensure proper operation

## **3. SETTING UP THE TONER**

Please make sure that all the orange strips are removed from the printer in order to ensure proper operation

#### 1. Download the printer drivers from Kyocera's website.

- URL: https://www.kyoceradocumentsolutions.co.za/en/support/downloads.html
- 2. Select your model

- 3. Select the relevant driver based on the client's operating system and click on download, use the KX driver where possible.
- 4. Find the ZIP file in your downloads folder, right click and select Extract all

Name		<u>^</u>	Date modified	Type
Old			7/21/2020 5:51 PM	File folder
i Quid	Installer P	rint Scan	7/16/2020 3:15 PM	Compressed
	0	Open Open in new window Share with Skype		
		Extract AIL_ Pin to Start Open with WinRAR Extract files Extract Here Extract to Quick Installer_Print_Scanl, Edit with Notepad++		
	①	Scan with Windows Defender Share Open with	>	
	0	MagicISO Give access to Restore previous versions	>	
	_	Send to Cut Copy	>	
		Create shortcut Delete Rename		
		Properties		

#### 5. Open the extracted folder, find the setup icon and double click to run the setup.
