

Xbox and High-Speed Broadband Fibre bundles

An unrivaled service designed for gamers

Xbox FTTH Bundles

- Most affordable Xbox and Fibre to the home bundles
- A fully managed service for the 24-month term for your Xbox console Fibre line rental
- Low latency Network Design with transit routes throughout South Africa, North America, South America, Europe and the Rest of the World
- The fastest, most powerful Xbox ever IP address

Product Overview

Vox is in a unique position as South Africa's preferred ISP to offer gamers a bundled service that has never been available before.

When playing on Microsoft's fastest, most powerful gaming consoles ever, you need a reliable, high-speed fibre to the home connection to up your game and outperform your competitors.

Now you can save on your Xbox Series X or S console rental and your Fibre line subscription by selecting a bundled solution that matches your gaming needs.

From as little as R1,293pm* you can rent an Xbox console and get a 50/50 uncapped, low latency Fibre line link for uninterrupted gaming.

This bundled service includes a 24 hour help desk and replacement of your Xbox at your address within 72 hours, if your Xbox fails through no fault of yours, for the duration of the contract.

With the savings you'll enjoy with an Xbox and Fibre bundle, you can spoil yourself with an extra controller, a gaming monitor and a gaming headset.

Main Features and Benefits

- **Choose your power and performance**
Explore rich new worlds and enjoy the action like never before with the unmatched 12 teraflops of raw graphic processing power and your choice of high-speed fibre connection.
