- Scalable and Designed for Growth
- Industry Leading Technology

Product overview

Whether a small or medium business, your organisational needs are constantly evolving. As such, having your finger on the pulse of current developments is essential, as are solutions that meet your requirements today while still catering for tomorrow. That's where BC Xpress comes in as the Cloud solution for the ever-changing modern business. This integrated ERP solution offers your brand the following:

- A Packaged Modern ERP solution for managing your day to day business activities such as accounting, procurement, sales, inventory and more.
- Installation and configuration within 8 working days via built-in RapidStart tools.
- Standard Chart of Accounts for incorporating customers, vendors and other items- perfect for cleaning up and organising your business network.
- A solution that doesn't compromise on features or functionality but doesn't cost an arm and a leg.
- A foundation built on the Microsoft Dynamics Platform; meaning world-class standards that seamlessly integrate with Office365 Suite.

How it works

Features & Benefits

- **Rapid Deployment:**
Allows for a quick, simple transition, fewer business interruptions and catered for scalable systems.
- **Pre-configured, Templated Rollout:**
Manage your ledgers, banks, accounts receivables and more via a variety of incorporated features.
- **PowerBI License and Training:**
Enjoy next level reporting as you spot trends, prevent issues and deliver great customer experiences with a full Power BI Starter kit.
- **Driven by Dynamics 365:**
BC Xpress is built from the trusted and well-known Microsoft Dynamics 365 Business Central
- **Support and Service:**
12 support incidents are included, with option to top these up as you need them.
- **Independent Cloud Backup:**
Never fear losing your data again with 250GB of independent storage at your disposal.
- **Post-Go Live Support:**
Enjoy 8 hours of Post-Go Live Support as required.
- **Flexibility:**
Choose the payment plan that best suits your budget and the ability to add users as your business grows.

Keep your
business ahead
of the tech
curve.
