- ⌄ Play games at up to 120 frames per second
- ⌄ Enjoy four generations of Xbox games with Backward Compatibility
- ⌄ Play 100+ titles with Xbox Game Pass Ultimate (membership sold separately) *
- ⌄ Seamlessly move between multiple games with Quick Resume.

Product overview

The most innovative Xbox consoles that give the gamer more options for their money.

Play thousands of titles from four generations of consoles - all games look and play best on Xbox Series. At the heart of the Series is the **Xbox Velocity Architecture**, which pairs a custom SSD with integrated software for faster, streamlined gameplay with significantly reduced load times.

Seamlessly move between multiple games in a flash with Quick Resume. Explore rich new worlds and enjoy the action like never before with the unmatched 4 or 12 teraflops of raw graphic processing power.

Enjoy gaming at up to 120 frames per second, advanced 3D spatial sound, and add more storage with a 1TB expansion card for increased performance (sold separately).

Get started with Xbox Game Pass Ultimate, which includes a library of 100+ high-quality games, an EA Play membership, online multiplayer, and all new Xbox Game Studios titles the day they launch like Halo Infinite (membership sold separately).

Features and Benefits

- **Choose your power and performance**
Explore rich new worlds and enjoy the action like never before with the unmatched 4 or 12 teraflops of raw graphic processing power.
- **More playing, less waiting**
Experience next-gen speed and performance with the Xbox Velocity Architecture, powered by a custom SSD and integrated software. Seamlessly move between multiple games in a flash with Quick Resume.
- **Accelerated Direct X Raytracing**
Creates more dynamic and realistic environments.
- **Variable refresh rate**
VRR synchronises the display's refresh rate to the game's frame rate, maintaining smooth visuals without tearing.
- **Auto low latency mode**
Xbox series automatically sets the connected display to its lowest latency mode.
- **Quick resume between multiple games**
Continue games from a suspended state almost instantly.
