

Braintree Engage Patron

Smart, simple and affordable

An innovative solution for evolving businesses

- Simple and affordable
- Personalised corporate identity
- Safe and secure
- Fully customisable
- POPI compliant
- No more manual paperwork

Product Overview

No more clipboards and manual data capturing, the Braintree Engage Patron allows you to automatically capture and record the details of every person that enters your organisation using a QR code.

Built on the Microsoft PowerApps Platform, a low code platform that accelerates business operations, the Braintree Engage Patron allows every patron entering an organisation to effectively

communicate that they do not have COVID-19 symptoms and are not aware of any existing COVID-19 risks.

The Engage Patron also provides additional features to make contact tracing that much easier in case a risk is identified.

How It Works

CASE MANAGEMENT

Record Patron Health Declarations

Testing, exposure and risk mitigation

Manage return to work after exposure or positive testing

DAILY

Risk Management and Compliance

Easy access to the app and user friendly for patrons

Manage patrons with symptoms of COVID-19 - permit or decline entry

COMPLIANCE + REPORTING

Reporting and Governance

Central secure Data repository for internal risk management, compliance and reporting to government.
